If this dog develops crippling hip dysplasia at anytime from purchase to two years of age (confirmed by x-rays from a competent licensed Veterinarian) the dog should be returned to us at the expense of the Buyer, unless the Buyer wants to retain the dog. We will replace the dog (due to crippling dysplasia) as soon as possible with a replacement of equal value to the dog at the time of original purchase and only after the owner supplies documentation that dog has been spayed or neutered. We reserve the right to request that the x-rays be sent first for review to a board-certified Veterinary Radiologist or other Veterinarian of our choice. If the Buyer does not want to keep the dog, the dog shall be returned to the Seller at the Buyer's expense.

The health and temperament of this dog is excellent to the best of our knowledge and belief at the time of sale. The required vaccinations and worming are as indicated on the health record received by the buyer at time of he/she takes possession of the dog or sent to them soon after. We advise the Buyer, however, to have the dog examined by licensed veterinarian of Buyers choice within 72 hours after receipt of the dog. We recommend you take a stool sample. If the veterinarian finds the dog to be in poor health, the dog must be immediately returned to us at the expense of Buyer for a replacement of equal value, unless other arrangements are mutually agreed upon. Failure to see a veterinarian within 72 hours will void all guarantees. No further guarantee is made. All sales are final and down payments/deposits are non-refundable.
